a. The report confirms previous information on the plant layout. The sketch legend contains detailed information on the type of construction of the individual workshops and on the status of the construction work.

b. The data on the plant settlement and the former ammunition factory were new.

1 Annex: Farm Equipment Plant and Former Ammunition Factory in BEZHETSK.

Legend to Annex:

A Farm equipment plant

- 1 Garages
- 2 Wood drying plant
- 3 Shed housing two locomotives
